

**HATCH VALLEY
DOMESTIC WATER IMPROVEMENT DISTRICT**

DELINQUENT CUSTOMER ACCOUNTS AMENDMENT

Effective immediately, prior customers who move back into the water district must pay any delinquent amounts owed from prior accounts before water service will be started. In addition, any past customers with prior delinquent accounts must provide a deposit of \$150.00 before water service will be started. The deposit will only be refundable should the customer move out of the water district with a zero balance on their account, not having accrued two or more late fees.

In addition, delinquent customers whose account is six or more months past due, who wish to have their service turned back on, must pay any arrearages, late fees, and a reconnect fee, along with a new deposit, the amount of which shall be set by the board.
